

Our Featured Hounds

Every year it seems we have a couple of dogs who need a little more help finding that special home to call their own. Such is the case with the three handsome lads you see pictured below. Each of these fellows is in need of a good home and has been waiting quite a while to find it. Maybe that home is with you - take a look!

DUSTY - Dusty is a stately gentleman of 8 years. He has a quiet demeanor and a sweet personality. He finds himself looking for a new home after being with a family for

several years. Dusty's ideal home would have another canine companion, a fenced yard and a quiet atmosphere. Dusty loves to romp in the yard with the other dogs, but can be a little bit on the reserved side so a noisy active home is not his cup of tea. Dusty is cat friendly and his foster mom reports that he is a very good house guest. Won't you consider giving this senior a loving home of his own? We promise you won't regret it!

GLENN - Glenn is a happy 3 yr old despite the fact that his race name was Grumpy Guy! Glenn was retired due to a compound fracture of his back leg which required surgery to repair. His recovery of his injury is complete, and he's ready to get on the road to retirement! He

has a bright personality and an inquisitive nature. Glenn is currently living in a foster home as an only dog. Glenn is not generally inclined to share his

space or food with other dogs, so we feel he'd be best in a single dog, environment with adults and high school age kids. He has very good leash manners and loves to go for walks. His foster home says he does not need a fenced yard. Glenn has a higher prey drive and is not cat friendly. He also thrives on routine. He's even passed obedience class! Glenn is quite a character and his foster mom says he makes them smile every day. Let's find this guy his forever home so he can enjoy some part of summer hanging out in the yard with you or going for relaxing walks to the park. You're going to turn heads with this handsome dog at your side!

DAYTONA - Daytona is a super sweet young fellow who is only 2 years old. He's been in his foster home for a couple of months and

has made some good progress coming out of his shell. This handsome guy can be hesitant with new things, but has done great at doggie daycare. He's also been known to cuddle up to his people, when they aren't paying attention! Daytona is cat friendly and his ideal home would have a fenced in yard, another canine companion and a patient family to help him explore all the benefits that retirement has to offer. Due to Daytona's hesitant nature, a home that isn't too chaotic would probably be best. Won't you open your heart and home to this youngster? He's ready to melt your heart.

Each newsletter, this section attempts to make you aware of what changes or happenings are going on with the group behind the scenes.

This quarter, we welcome two new board members, Heather and Keith Brandenburg from the Milwaukee area. Heather will be our new Events Coordinator for Milwaukee. If you'd like to volunteer for events, please send an inquiry to our webmaster and it will be forwarded to Heather.

We'd also like to say thank you to Susan Hemenway for her service as kennel operations manager. Sue will be leaving that post at the end of July. The dogs and the organization have appreciated her dedication and hard work.

Online Retail Store

In the spring of this year, GPA-Wisconsin launched its online retail store. We heard from many of you that you wanted to be able to purchase GPA merchandise year round, so in order to try to accommodate that request, a committee worked with our webmaster to make it happen. We are currently offering our Green Line of products which include Organic Cotton Tee shirts featuring our "Reduce Your Carbon Paw Print" logo, water bottles, and shopping bags. You can also purchase a muzzle or Greyhounds for Dummies Book here as well.

If you prefer not to order online, you can also click on

the link to download an order form from the store and mail in a check with your order.

Please see the home page of the website for more information!

Check back at the retail store periodically - we will be switching out items occasionally to offer additional products. Some of the past Gala tee shirts might be showing up online for a slightly reduced price.

That would be a good time to bulk up your GPA wear at cost savings prices!

Check out and payment is easy by using a credit card or our paypal account.

We hope you'll support the online store by making a purchase!

Animal Advocate TV

In May we were contacted by a group called Animal Fairy Charities, Inc. They run a non-profit organization that advocates for animal welfare and education. They honor and raise money for shelters and adoption agencies who assist with making sure animals are safe and well cared for. They inquired about featuring us in a clip on their new show, Animal Advocate TV.

On May 21st, a few of our volunteers and some amazing hounds filmed the clip that can now be seen either on Animal Advocate TV, their website, and also on YouTube.

Take a look at: www.animalfairycharities.org

Animal Fairy Charities also provided a \$100 donation to our group to help our hounds, and honored us with a pewter Animal Fairy in appreciation of GPA-Wisconsin's work and dedication to greyhound adoption. Thank you to Animal Fairy Charities, Debra Lopez, Tonia, Heather, Jessica and Kathleen for making this opportunity possible!
